---

I'm Divyam Lathiya, a **BCA** student. I am pursuing a Bachelor of Computer Applications. I learn multiple languages and solve real world problems. I learn about **C**, **C++**, **HTML**, **CSS**, **Basic Java** and **MySQL.**

Overall, my skill set provides me with a range of opportunities in the tech industry. I am excited about exploring different roles and technologies to find the path that best aligns with my interests and career goals. I thrive on learning and implementing innovative solutions in the digital landscape. Let's connect and share our insights!

Your Dream + My Expertise = Performant and Reliable. Let's Build Something Extraordinary!

◉ WORK EXPERIENCE

Megascale

Summer Intern • Apr 2024 - Jun 2024 **Surat, Gujarat, India**

- As an intern at a Megascale IT company, it must be an exciting opportunity. You might get the chance to work on cutting-edge technologies, large-scale systems, and gain valuable experience in dynamic environments. Megascale organization has equipped me with the insights and skills necessary to thrive in today's dynamic and ever-evolving IT landscape in critical technology infrastructures and driving strategic IT decisions.

◉ EDUCATION

Bachelor of Computer Applications

Veer Narmad South Gujarat University (VNSGU) • GPA: A • Jul 2023 - Jul 2026 Surat, Gujarat, India

I am a student of BCA at **Sutex Bank College** under **VNSGU**. I am eager to apply theoretical knowledge to real-world projects and collaborate with industry professionals. I am passionate about software development, data analysis, and emerging technologies. Keep on continuous learning and growth in the field of computer science.
