CAREER OBJECTIVE

As a dedicated and detail-oriented software developer, my objective is to contribute my programming expertise and passion for creating efficient and innovative solutions to a dynamic development team. I am proficient in various programming languages, including JavaScript, React.js, and Node.js, and have a proven track record of delivering high-quality software applications. My goal is to collaborate on challenging projects, leverage emerging technologies, and continuously expand my skill set to address evolving industry demands. I am committed to producing robust, scalable, and maintainable software that meets or exceeds client and end-user expectations.

PROFESSIONAL SUMMARY

Experienced Software Developer with a strong background in software development. Proven track record of delivering high-quality software solutions. Skilled in JavaScript, React.js, Node.js, and full-stack development. Committed to driving results and improving system performance.

TECHNICAL SKILLS

- **Programming Languages:** JavaScript, Node.js
- **Frameworks & Libraries:** React.js, Express.js
- **Databases:** MongoDB, MySQL
- **Full-Stack Development:** MERN Stack
- **Web Development:** HTML, CSS, Bootstrap, Tailwind CSS
- **Version Control:** Git and GitHub
- **UI & UX Design**

WORK EXPERIENCE

Software Developer - Hubnex Labs, Gurugram, Haryana ***March 2024 – Sep 2024***

- Developed and maintained high-quality software solutions, reducing bug reports by 30%.
- Collaborated with cross-functional teams to deliver efficient and scalable code, increasing team productivity by 20%.
- Contributed to key projects that enhanced user experience and system performance, resulting in a 15% increase in user satisfaction.

Techgicus Software Solutions, Nagpur ***March 2023 - Dec 2023***

- Completed a comprehensive 9-month internship focused on front-end development, successfully deploying 5 major features.
- Proficiently applied JavaScript and React.js to improve application performance by 25%.
- Enhanced problem-solving abilities by collaborating closely with teams, resolving 40+ critical issues.

KEY PROJECTS

Productivity Management (March 2024 – September 2024, Hubnex Labs)

- **Objective**: Designed to help producers manage inward material and streamline production processes.
- **Supply Chain Enhancement**: Developed features that facilitate an end-to-end supply chain management system from producer to customer, cutting delivery times by 20%.
- **Role**: Currently contributing as a Backend Developer, focusing on building and optimizing the server-side logic to ensure seamless functionality and integration with the front-end.

Jewellery Swift (E-commerce Website)

- Link: Jewellery Swift
- Designed for producers to manage inward material and production of products, streamlining operations by 35%.
- Facilitates a supply chain management system from producer to customer, reducing delivery times by 20%.
- **Technology:** HTML, CSS, JavaScript

NPM PACKAGE'S

- **Name: counter-count**
- **Description:** A lightweight JavaScript package designed to provide a simple and efficient way to implement counter functionality in web applications. It allows users to easily increment and decrement values, with customizable options for initial values and step increments. The package aims to enhance user experience by providing smooth and responsive counter features.

- **Name: mobile-notification-popup**
- **Description:** A versatile JavaScript package that enables developers to easily create customizable mobile notification popups for web applications. This package provides a user-friendly interface for displaying alerts, confirmations, and informational messages, ensuring a smooth and engaging user experience. Features include adjustable display duration, customizable styles, and options for different notification types.

EDUCATION

Bachelor of Commerce in Computer Application (BCCA)
VMV College, Wardhaman Nagar Colony, Nagpur 2020 – 2023
- Graduated from Nagpur University (RTMNU)

H.S.C
Sant Jagnade High School & High Sec. School, Nagpur 2018 – 2020
- Passed out by Maharashtra State Board (MSBE)

S.S.C
Shreyas High School, Wardhaman Nagar Colony, Nagpur 2018
- Passed out by Maharashtra State Board (MSBE)

CERTIFICATIONS

- HackerRank Intermediate JavaScript Certification
