SUMMARY

Dynamic Frontend Developer with robust software development skills and around 1.5 years of of hands-on experience. Proficient in programming and web development, with a talent for solving complex challenges. Demonstrated expertise in crafting responsive, visually appealing user interfaces that enhance user experience and engagement. Eager to leverage my skills and contribute to innovative projects, driving organizational growth through creative solutions and technological innovation**.**

WORK EXPERIENCE

Frontend Developer

Nyxify Technologies Private Limited ,

Bangalore September 2023 – Present

- Collaborated with senior developers to design, develop, and deploy **Next.js** applications, ensuring responsiveness and optimal performance.
- Developed AI platforms to generate images from textual descriptions, transform and enhance images, create dynamic video content from static images, and convert textual scripts into animated videos using AI.
- Utilized **JavaScript** and **Next.js** to implement interactive features and enhance user engagement on web applications.
- Built a video editor platform using **Fabric.js**, **JavaScript**, and **Next.js** with features like adding, editing, and deleting elements, changing element properties dynamically, and managing element layers.
- Participated in Agile methodologies, including daily stand-ups, sprint planning, and retrospectives. Conducted code reviews and implemented best practices to enhance code quality and efficiency.
- Assisted in troubleshooting technical issues, performing debugging tasks, and providing timely resolutions to ensure smooth project execution.

EDUCATION

Bachelors of Technology in Electronics and Communication Engineering,

National Institute of Science and Technology, Berhampur ,Odisha
August 2019 – June 2023

- Secured 81.60%

TECHNICAL SKILLS

- **Programming Languages:** Java, JavaScript
- **Web Development:** React.js, Next.js, HTML5, CSS3, Tailwind CSS
- **State Management:** Redux, Context API
- **Data Structures & Algorithms:** Understanding and practical application
- **Version Control:** Git, GitHub
- **Databases:** SQL.
- **UI/UX Design:** Experience with responsive design and user interface principles
- **Software Development Practices:** Agile methodologies, code reviews, debugging, testing

PROJECTS

Video Editor Tool.
Link - https://github.com/SKumar425/video-editor

- Developed a video editor platform using **Fabric.js**, **JavaScript**, and **Next.js**.
- Implemented features such as adding, editing, and deleting elements on the canvas, changing element properties dynamically, and managing element layers.
- Integrated a color picker for dynamic shape color changes and implemented text transformation features, including multilingual text support.
- Ensured the platform's performance and responsiveness for a seamless user experience.

A community social media platform for electronics enthusiasts.
Link - https://github.com/SKumar425/Electronics-Society

- Developed a dynamic website using the **MERN stack**, creating a vibrant learning community for electronics enthusiasts.
- Enabled passionate individuals to gather, connect, collaborate, and share their ideas, knowledge, and projects.

Website for Shatam Jeeva.
Freelance Frontend Developer
Link - https://www.shatamjeeva.life

- Developed a responsive and visually appealing website for Shatam Jeeva, a center offering specialized Ayurvedic treatments in a 100-acre man-made forest.
- Built the website using **Next.js**, **JavaScript**, and **Tailwind CSS** for a modern and efficient frontend experience. And Integrated **Strapi CMS** to provide a scalable and user-friendly backend for managing dynamic content.
- Collaborated with the client to ensure the design aligned with their brand identity and mission of blending ancient Ayurvedic wisdom with natural healing.

ACHIEVEMENTS

- Authored a research paper titled "IoT based Traffic and Routing System" as a chapter contribution to the book "Intelligent Technologies for Sensors" published by CRC Press, indexed and recognized on Google Scholar.
