React js developer

Detail-oriented Front-End Developer with 3 years of experience in the software development industry, specializing in **Web Application Development**. Demonstrated success as a **Software Developer Engineer** at Infosys Ltd, showcasing proficiency in **ReactJS** for developing user interfaces, **creating reusable components**, and **integrating with APIs**. Skilled in optimizing **page load times** and improving web-app performance by enhancing component efficiency. Strong foundation in **HTML, CSS, JavaScript**, and **cross-browser compatibility**, with knowledge of multiple **technology stacks** that contribute to effective and efficient development. Proficient in tools such as **Git**, **Webpack**, and **Babel**, with a commitment to **clean code** and continuous improvement. Eager to contribute to a forward-thinking organization that values **innovation** and **career growth**.

Technical Skills

Programming Languages: JavaScript, TypeScript, HTML5, CSS3
Frameworks: ReactJS (Hooks, Context API), NextJS
Tools: Git, VS Code, DBMS HSQL, Agile, SDLC
Core Competencies: Responsive Design, Performance Optimization, RESTful API Integration, Debugging, Cross-Functional Collaboration

Professional Experience

Systems Engineer - 1
Infosys Ltd., Pune

December 2021 – December 2024

- **UI Development:** Developed and optimized responsive user interfaces using ReactJS, creating reusable components and integrating with RESTful APIs, resulting in a 30% reduction in page load time.
- **Component Reusability:** Designed site-level reusable components, reducing development time by 15% for new pages and features.
- **Performance Optimization:** Enhanced front-end performance by monitoring and refining component efficiency, cutting load times and boosting site responsiveness.
- **Project Collaboration:** Worked closely with a cross-functional team of 10+ members to implement new technologies, increasing user satisfaction by 20%.
- **Mentorship & Leadership:** Provided guidance to junior developers, promoting best coding practices and fostering a culture of continuous improvement.
- **Client Interaction:** Participated in client meetings to align development objectives and ensure consistent project progress.

Achievements:

- Achieved a 30% reduction in page load time by optimizing component rendering and minimizing API calls.
- Recognized as "Best Performer" for Q4 2023 for exceptional contributions to project development and team collaboration.

Academic Details

INDIRA COLLAGE OF ENGINEERING, PUNE, Bachelor of Engineering in Mechanical Engineering, (CGPA: 7.51)

Soft Skills

Analytical Thinking | Collaboration | Leadership | Adaptability
