SUMMARY

Creative **UI/UX Designer** with 6+ months of professional experience crafting **user-centric digital experiences** and **brand identities** for diverse industries. Proficient in **Figma, Adobe Creative Suite**, and **Canva**, with a strong foundation in **web development** (HTML/CSS/JavaScript). Recognized for delivering **responsive designs**, **interactive prototypes**, and **strategic branding solutions** that align with business goals. Combines technical expertise in **wireframing**, **animation**, and **design systems** with a passion for blending traditional aesthetics with modern innovation.

EDUCATION

Bachelor of Science in Information Technology

Shree Ramkrishna Institute of Computer Education and Applied Sciences (SARVAJANIK UNIVERSITY)

SGPA **8.7** / 10

2021 - 2024 Surat, Gujarat

PROJECTS

Navkar Enterprise Website

https://figmashort.link/htRx8s

A marketing agency specializing in branding, digital marketing, and strategic design solutions for startups and enterprises.

- Redesigned and restructured the **entire website from scratch**, aligning with modern design trends and user-centric principles.
- Developed **interactive prototypes** and **detailed wireframes** to map seamless user journeys and intuitive navigation.
  Implemented **custom animations** and built a **comprehensive design blueprint** using Figma plugins.
- Defined a **vibrant color palette**, crafted **bespoke icons**, and selected **brand-aligned typography** to reinforce visual identity.
- **Outcome**: A dynamic, modern website showcasing client testimonials, case studies, and core services, serving as a portfolio and lead-generation tool.

Auromira Website

https://figmashort.link/m7dt7s

An educational institution focused on holistic learning and experiential skill development.

- Revamped the website **from scratch** to reflect the institution's progressive educational philosophy.
- Designed **interactive wireframes** and **dynamic prototypes** to highlight classroom activities and parent testimonials.
- Integrated **subtle animations** and curated a **cohesive theme** using Figma plugins for consistency.
- Established a **warm color palette** and **child-friendly typography** to resonate with families.
- An **engaging, modern platform** showcasing interactive classroom environments, parent testimonials, and academic philosophies, reflecting Auromira's commitment to **innovative and holistic education**.

EXPERIENCE

UI/UX Designer

Navkar Enterprise

Surat, Gujarat

A marketing agency specializing in branding, digital marketing, and strategic design solutions for startups and enterprises.

- Redesigned **12+ client websites** from scratch for industries like healthcare, education, and sustainability, optimizing **user journeys** through **wireframes**, **prototypes**, and **Figma-based design systems**.
- Developed **brand identities** by creating custom icons, color palettes, and typography, improving user engagement by 40% via **animated interfaces** and **responsive layouts**.
- Collaborated with marketing and development teams to align designs with **SEO** and **digital marketing strategies**, integrating **social media visuals** and **video content**.
- Conducted conceptual **rebranding** exercises for brands like *Starbucks* and *Dilliwale* to refine practical skills in merging cultural motifs with modern aesthetics.

PROJECTS

True Drug Pharma Website

https://truedrugglobal.com/

A pharmaceutical leader delivering innovative, ethical healthcare solutions globally.

- Redesigned key sections of the website to **enhance usability** and **highlight product innovations**.
- Created **high-fidelity prototypes** and **user flow diagrams** to simplify access to critical information.
- Implemented a **minimalist layout** with a **professional color scheme** and **custom icons** for clarity.
  Ensured responsive design for seamless cross-device compatibility.
- **Outcome**: A streamlined platform emphasizing the brand's commitment to quality and transparency, improving user trust.

Starbucks Branding

https://figmashort.link/WWpnZe

A conceptual exercise to refine branding skills by reimagining Starbucks' visual identity.

- Analyzed Starbucks' global branding strategy to understand its heritage and community-driven ethos.
- Designed a **modernized logo**, **UI elements**, and **mood boards** blending tradition with contemporary aesthetics.
- Curated a **warm color palette**, **editorial visuals**, and **consistent typography** for cross-platform cohesion.
- **Outcome**: Strengthened practical skills in cultural branding, balancing familiarity with innovation in design.
