- Enhancing speed and responsiveness.

COURSES

Master in Web Designer
Red & White Multimedia Education (2022 - 2023)

ABOUT ME

As a Senior Web Designer with 2+ years of experience, I specialize in creating high-quality Figma designs and translating them into responsive websites. Proficient in UI libraries like Tailwind CSS and Bootstrap, and experienced with design tools such as Photoshop and Illustrator, I focus on crafting user-centered, visually engaging designs with great attention to detail.

EDUCATION

SHADBHAVNA VIDHYA SANKUL — **2018 - 2019**
H.S.C (Commerce)

NAVYUG COLLAGE — **2019 - 2023**
Bachelor of Commerce

EXPERIENCE

Daydreamsoft Infotech LLP

Internship (March 2023 – August 2023)

- Developed a strong foundation in HTML, CSS, and JavaScript for creating responsive web designs.
- Gained hands-on experience with frontend development using Bootstrap, Tailwind CSS, and jQuery.
- Contributed to real projects by assisting in designing and refining website features.
- Learned industry best practices while improving UI/UX skills for user-friendly web pages.

Full-Time Role (September 2023 – Present)

- Worked as a web designer, handling multiple client projects.
- Designed and developed websites from scratch, making sure they met client needs and modern UI/UX standards.
- Improved existing websites by enhancing design and optimizing performance for a better user experience.
- Focused on all areas of frontend development, including responsive design, animations, and cross-browser compatibility.
- Ensured websites worked smoothly on different devices.
- Added interactive elements, forms, and animations using JavaScript, jQuery, Bootstrap, and Tailwind CSS.
